APPLICATION

Spray **OptiGlanz Edelstahlreiniger** on to the clean and cold exhaust and ensure that it is covered well and completely. Allow the cleaner to take effect **for maximum 3 minutes** and than rinse using a powerful jet of water. The effect can also be improved by using a hard sponge. This cleaner causes cauterisations; please keep it sealed and out of the reach of children. Refrain of inhaling the fumes. Should the cleaner come into contact with the eyes, rinse thoroughly with water and consult a physician. For use in well ventilated areas only. Suitable protective clothing, protective gloves and eye protection must be worn during use. Wash away thoroughly should this cleaner come into contact with the skin.

PRODUCT INFORMATION

OptiGlanz Edelstahlreiniger is an intensive agent for all exhaust systems made of stainless steel. Other materials are to be protected from any resulting spray. Not suitable for chromium, aluminium and bronzed surfaces. **Do not spray on to hot vehicle parts!** Biodegradable. Do not use or store this cleaner at temperatures in excess of +35°C.
